

GLC-55C

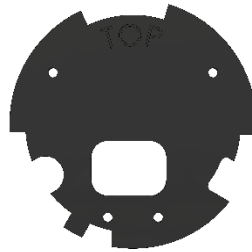

Dakota Digital Clock Installation
For 1955-'56 Chevy Speaker Clocks

Your new GLC-55C kit includes:

GLC Clock

Clamping Back Panel

36" Main Harness

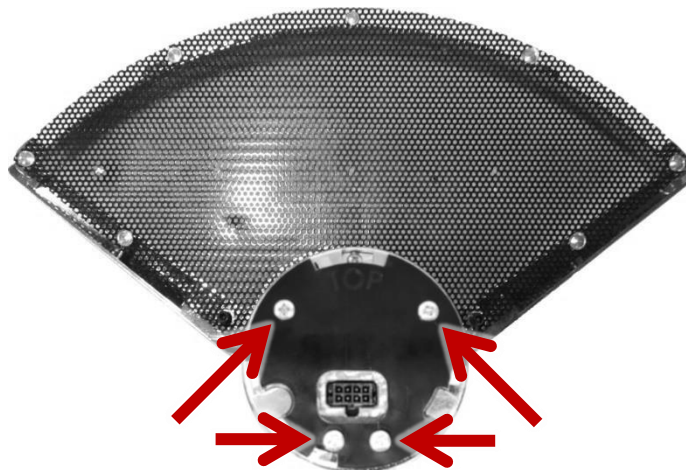

4X 4-24 x 5/8"
Screws

Installation

1. Remove the speaker bezel and original clock from the car and place the GLC clock in the speaker bezel from the front. Place the provided **Clamping Back Panel** over the rear of the GLC, and secure the clock using the four supplied **4-24 x 5/8" Screws**.

2. Connect the supplied **36" Main Harness** to the clock. Route the open end to the system's control box.

3. Reinstall the speaker bezel into the dash to complete the GLC setup.
